The Evolve programme supports a variety of projects across the Staffordshire area. The project will support participants with multiple barriers to regain their confidence and move closer to the jobs market.

This project is being funded by Big Lottery and the European Union through the European Social Fund.

Evolve can support anyone who is :

- 16 years and over
- Unemployed (cannot be in part time work or on 0 hours contract)
- Economically Inactive (including those not working who are claiming benefits)
- Has complex needs/multiple barriers which are impacting on being able to enter paid employment
- Requires support to fully and independently engage in existing services
- Living in Mid Staffordshire
